

10 Entrepreneur Commandments

1. Limit the time put into your idea and focus on the essentials.
2. Face your fears.
3. Solve a 'top of the Totem Pole' problem.
4. Do what it takes to get that first \$1.
5. No excuses; take adversity head on.
6. Find problems before creating ideas.
7. Do it on paper before bringing in technology.
8. Focus on small wins. Build momentum.
9. No coding. Validate first.
10. No business cards. Execute on the idea and become profitable.
